Wayne,
Still info Singapore
that the order says
should come from
my pen in
the future.
pt

The first order to be airfreighted as soon as stocks are available, estimated end February '86. The second order to be simultaneously shipped for arrival later part of March.

Please be advised that we have brought forward the launch of Alpine Menthol to March and the Accord launch is now revised to May/June '86.

We will re-confirm the status of the Accord orders placed previously at a later stage.

Regards,

A.C.Foo
